READINESS INTAKE

Stakeholder Questionnaire

Estimated time: 8-10 minutes. Help us understand your organization's readiness, priorities, and constraints. Responses are confidential and used only to prepare a tailored readiness brief and recommended pilot shortlist

What you'll get after submitting

1-page Readiness Brief	30–90 day pilot shortlist	Next-step call agenda
Priorities, constraints, and recommended next step.	Low-risk tests tied to measurable outcomes.	A focused agenda to confirm scope and urgency.

We'll only ask for more detail if it materially improves the recommendation. If you prefer, you can complete most questions without sharing sensitive numbers.

1. Strategic Alignment & Priorities

Which outcome matters most in the next 6–12 months? *

- ◯ Accelerating 2035 carbon neutrality goals
- ◯ Deepening property owner engagement
- ◯ Optimizing championship golf course ROI
- ◯ Generating villa rental revenue when owners absent
- ◯ All of the above equally
- ◯ Not sure yet, would like guidance on what to prioritize

Second priority (if applicable)

- ◯ Carbon neutrality / sustainability verification
- ◯ Owner engagement & community
- ◯ Golf excellence & performance experience
- ◯ Villa utilization & revenue optimization
- ◯ Operational efficiency

What is driving urgency right now? (Select all that apply)

- 2026 roadmap / board directive
- Owner/member expectations are rising
- Need stronger sustainability measurement and reporting
- Revenue growth or yield pressure
- Cost pressure / staffing constraints
- Competitive pressure / positioning

What AI/digital initiatives are already approved or underway for 2026?

What specific business objectives would you like this initiative to address? (Select all that apply)

- Enhance property owner experience and satisfaction
- Track progress toward 2035 carbon neutrality
- Optimize championship golf course investment ROI
- Maximize villa utilization when owners absent
- Create new revenue streams
- Strengthen brand positioning and differentiation
- Improve operational efficiency
- Build community and member engagement

What would success look like 12 months from now?

2. Resource Commitment & Budget

Preliminary budget range (including strategy development and initial implementation)? *

- ◯ Under $50K
- ◯ $50K - $150K
- ◯ $150K - $300K
- ◯ $300K - $500K
- ◯ $500K+
- ◯ To be determined based on ROI projections

Who will be the internal project champion/owner?

What internal team members or departments would be involved? (Select all that apply)

- Executive leadership
- Marketing/Brand
- IT/Technology
- Operations
- Finance
- Member Services
- Property owners relations
- Sustainability/Environmental team

How many hours per week can your team dedicate to this initiative? *

- ◯ Less than 5 hours
- ◯ 5-10 hours
- ◯ 10-20 hours
- ◯ 20+ hours (dedicated resource)

3. Risk Tolerance & Technical Readiness

What's your primary concern about executing your 2026 AI/digital roadmap? *

- ◯ Ensuring technology enhances (not contradicts) laid-back luxury ethos
- ◯ Maintaining Bajan community authenticity while adding digital tools
- ◯ Property owner adoption and buy-in
- ◯ Technical integration with existing systems
- ◯ Proving ROI before full deployment
- ◯ None - confident in execution

What concerns do you have about AI and/or trusted-data technologies (including distributed ledgers)? (Select all that apply)

- Regulatory/compliance uncertainty
- Data privacy and security
- Guest/member adoption and acceptance
- Technical complexity and maintenance
- ROI uncertainty
- Brand reputation risk

What is your current technical infrastructure? *

- ◯ Cloud-native systems
- ◯ Mix of cloud and on-premise
- ◯ Primarily on-premise/legacy systems
- ◯ Currently undergoing digital transformation

4. Timeline & Decision-Making

When would you like the next step to begin (readiness brief / Discovery Sprint)? *

- ◯ Within 2 weeks
- ◯ This quarter
- ◯ Next quarter
- ◯ Flexible / exploratory

When would you ideally want to begin implementation? *

- ◯ Immediately upon playbook completion
- ◯ Within 3 months
- ◯ Within 6-12 months
- ◯ To be determined

How is this decision typically approved? *

- ◯ Ownership / board approval
- ◯ Executive leadership (GM/CEO/CFO)
- ◯ Committee (finance, technology, operations)
- ◯ Other / not sure yet

Who are the key decision-makers who need to approve this initiative?

5. Success Criteria & Metrics

How will you measure the success of this initiative? (Select all that apply)

- [ ] Property owner satisfaction scores
- [ ] Progress toward 2035 carbon neutrality milestones
- [ ] Multi-generational family engagement rates
- [ ] Villa utilization when owners absent
- [ ] Revenue growth
- [ ] Operational cost savings
- [ ] Brand awareness/media coverage
- [ ] Member engagement metrics
- [ ] Technology adoption rates

What would constitute a 'quick win' that would build internal momentum?

6. Additional Context

On a scale of 1-5, how important is it that technology initiatives support (not overshadow) Apes Hill's commitment to environmental sustainability and authentic Bajan community?

- ◯ 1 - Not important; technology can be the focus
- ◯ 2 - Slightly important
- ◯ 3 - Moderately important
- ◯ 4 - Very important
- ◯ 5 - Critically important; technology must be invisible

Are there any specific AI or Web3 use cases you're particularly interested in exploring?

Are there any constraints or requirements we should be aware of?

Additional comments or questions:

Preferred Engagement Option

Which engagement option are you most interested in? *

- ◯ Option A: Full Strategy Playbook ($100K-180K, 8-12 weeks)
- ◯ Option B: Discovery Sprint ($25K-45K, 2-3 weeks)
- ◯ Option C: Educational Workshop ($7.5K, single session)
- ◯ Option D: Need more discussions – pause & reconnect later
